Taster Day

Experience a Day in the Life of a Teacher

Gain experience in a mainstream state secondary school and make an informed choice about getting into teaching.

Teach for a Day

Become fully immersed in the life of a teacher! Meet the staff and departments who teach our young people. With your own timetable and guidance on how to make the most of your experience, there will be plenty of opportunity to network with existing trainees, former trainees and subject mentors as well as the chance to discuss how you can develop your own teaching career through our School Direct Partnership. Due to current covid restrictions, this offer may be restricted to a virtual experience in the first instance.

*The Polesworth School
invites you to spend the day with them.*
